

Security Lighting: CL or RL (Dusk to Dawn Lighting)

Who May Take Service: Any city or rural customer where the customer takes service at the same premise under a standard rate schedule. Also any Township customer served by the Marquette Board of Light and Power.

Territory Applicable: All territory served by the Marquette Board of Light and Power.

Hours of Service: Daily, from dusk to dawn.

Character of Service: Single phase, alternating current, 60 hertz, nominally at 120 volts.

Rate: 1 – 9 lights: lights \$14.50 per light per month

10 or more lights: \$13.25 per light per month

Minimum Charge: A minimum charge does not apply.

Contract: May be required by the Marquette Board of Light and Power.

Rules Applying:

1. Service is governed by the Marquette Board of Light and Power's Standard Rules and Regulations.
2. The Marquette board of Light and Power will provide normal maintenance to the lighting unit including the fixture, lamp, ballast, LED modules, driver, photo-electric control, mounting brackets and all necessary wiring. The MBLP will furnish all electric energy required for operation of the unit.
3. Normal lamp replacement shall be the responsibility of the Marquette Board of Light and Power.
4. Damages to fixture, lamp, ballast, photo-electric control, mounting brackets by vandalism or malicious mischief shall be at the customer's expense.
5. For service under this schedule, installation of the unit must be on an existing utility pole upon which the Marquette Board of Light and Power's secondary lines are already attached or on the customer's own pole approved by the Marquette Board of Light and Power.
6. The Marquette Board of Light and Power will install a pole for the dusk to dawn light with costs based on present pole costs to be paid by the customer.

Effective: All bills issued after October 1, 2016.
